Their Next Move

Careers Through Skills: A Parents Showcase

A creative, engaging show to help parents understand the career pathways and opportunities offered through Vocational Education and Training

About Their Next Move: Careers Through Skills- A Parents' Perspective

In conjunction with the NSW Department of Education , SkillsOne is creating and presenting both a **live** and **digital** Parents Show that will be available in Term 2 and 3, 2024 to parents in NSW. Called Their Next Move: Careers Through Skills- A Parents' Perspective

Created with parents at the forefront , the showcases have the specific focus on helping parents to better understand the options available through VET including apprenticeships and traineeships.

This will be a fantastic tool for schools to use and promote to support subject selection information, parent information sessions, and career advisory services.

Program Highlights

Information will be provided on VET in a creative and engaging way to parents of High School Students enabling them to understand the value and alternative career pathways and opportunities offered through vocational education (VET) and skills training.

1. Inspiring Narratives: Engaging interviews with successful VET Alumni, parents and industry sharing their career stories and lessons.
2. Educational Content: Expert insights and guidance on industry trends, emerging careers and skills, jobs of the future, and career pathways.
3. Industry Insights: Gain valuable insights from industry experts through the individual story telling, panels and links to critical skills web sites.
4. Career Guidance: Practical tips and resources- links, information and contacts to help parents assist their childrens decision for their future

Audience at Parliament House

VET Alumni Speaking at Parent Show

Parent Show Western Suburbs

There will be a showcase of success stories of the VET sector through NSW Training award ambassadors/and industry speakers, plus specific segments on school-based apprenticeships and traineeships and work placement, emerging careers, new industry programs and an extended area on options for apprenticeships- including different training options and the emerging higher education apprenticeships programs . There will also be information on short skills set training and the world of microcredentials. The showcase will finish with links to resources and contacts where parents can receive further information to support their child in their VET journey

The aim is to provide information on VET in a creative and engaging way to parents of High School Students enabling them to understand the value and alternative career pathways and opportunities offered through vocational education (VET) and skills training. We also wanted to assist career advisers in their efforts of promoting these pathways to a rewarding and prosperous career and shatter the myths that university is the only option for ambitious young students.

George Ellis- Conductor

Independent Theatre

The Live Showcase

The live show will be held at The Independant Theatre in North Sydney in front of 250 invited parents and stakeholders on Tuesday 21 May 2024. Utilising animation, film, speakers and live music- we have secured George Ellis and his pocket orchestra for the event- we will bring creativity, entertainment and excitement in our delivery.

The Live show will be filmed/ edited to create the digital series including panel speakers, ambassadors and music performed by world renown Conductor George Ellis and his Pocket Orchestra which brings energy and creativity to the showcase.

*Subject to change

The Digital Showcase

The Digital series will be presented as a 4 part series (total of 75 minute) with the flexibility for parents and career advisers to view areas of interest which they and the children may wish to explore in depth such as health, advanced manufacturing, apprenticeships, defence, digital, clean energy etc. It will also include links and the promotion of authority websites that parents can direct their children to for further information.

Provided free to the schools to promote to parents utilising SkillsOne platform for viewing. Access is via a very simple registration. Career Advisers Association NSW and the NSW Department of Education will assist in promotion of the showcase as well.
